

“Crime doesn't Sleep”, is an Urban Legend

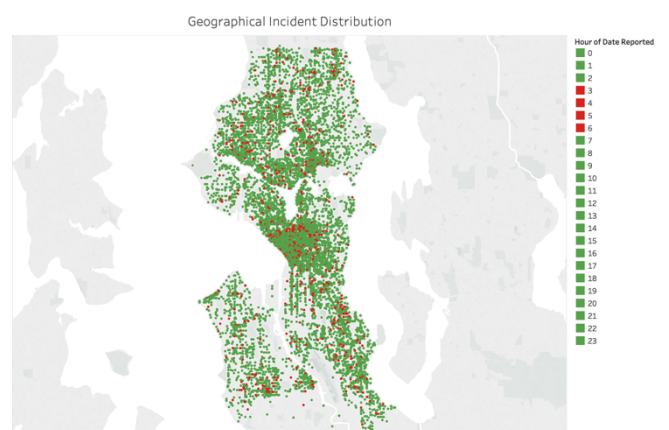

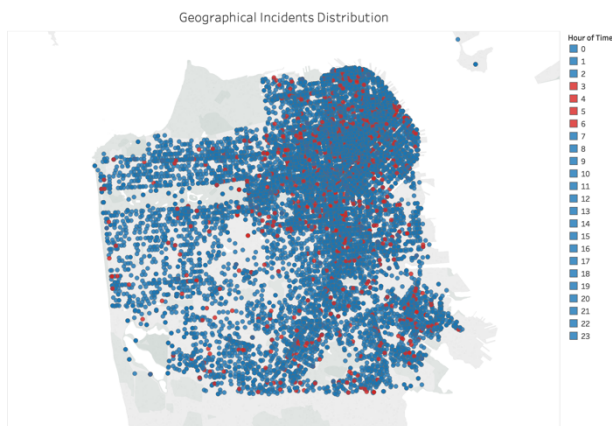

SAN FRANCISCO

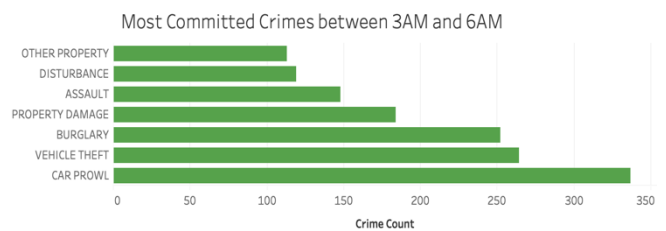

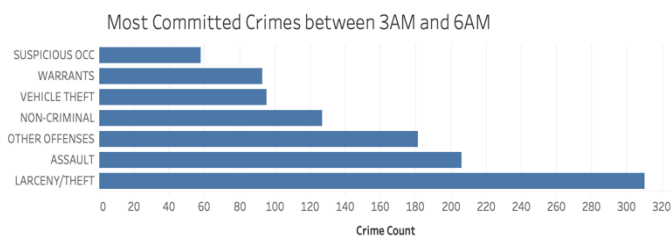

SEATTLE

For either cities, the histograms show a clear decrease of crimes between 3AM and 6AM.

In addition, between 3AM and 6AM, crimes seem to be more evenly distributed in the city area (red dots), while during the day crimes are clearly mostly located in the city center (blue or green dots).

Between 3AM and 6AM, Most common crime in San Francisco is Theft (blue histogram on left), while in Seattle is Car Prowl (green histogram on right).
